## ACNOWLEDGEMENTS

It is a wonderful experience to see kind hearts, coming out with generosity to help people in struggle. I was wondering how we are going to reach out to these people? Particularly, the WIDOWS, TRANSGENDERS AND DESTIUTES who are much devastated during these pandemic days. It was a fortunate experience to see many who were so kind and generous with their financial support. No doubt, without all your support and a few of the institutions mainly **Ocean, Chennai, DHFL, Eclear, Habitat, Rose Malar, BWDA Finance Limited** it would not have been achieved. We are fortunate to undertake this program, as it is surely a blessing to all those who came forward to support these underprivileged people, during these pandemic days. As mentioned in the Holy books of Hindus, Muslims and Christians, we are sure that all of you, who came forward to help these brethren, will remain ever blessed for sure.

We started feeling the suffering of COVID -19, with a small draft shared among staff of BWDA Group. I was spell bound to see every other day, generous hearts making their little and the bigger possible support services, remitted to BWDA, during these pandemic COVID-19 days.

While reflecting on this painful of COVID-19, most of us have lost our sleep and we are moving from pillar to post, not knowing what would happen tomorrow. The ultimate thought is that, only GOD ALMIGHTY could heal us from all these disasters. But, the attitude of most of the BWDA family members, has to be recorded in the annuals of BWDA. I am thankful to you all and all these experiences are to be treasured.

**Thanks & Regards**
